## Eye of the tiger

Uh oh äh ah Bao, bao bao bao, bao bao bao, bao bao bao, Bao bao, bao bao bao, bao bao bao,

1. Rising up back on the street
Did my time, took my chances,
Went the distance now I'm back on my feet
Just a man and his will to survive
Doob doob doob doob
Doob doob doob doob
Tor glory
Doob doob doob
Doob doob doob
Doob doob doob
You must fight just to keep them alive

It's the: eye oft the tiger it's the thrill of the fight Rising up to the challenge of our rival And the last known survivor stalks his prey in the night And he's watching us all with the eye Of the tiger

Bao, bao bao bao, bao bao bao, bao bao bao, Bao bao, bao bao bao, bao bao bao, bao bao bao,

2. Face to face out in the heat
Hanging tough, staying hungry
They stack the odds till we take to the street
For the kill with the skill to survive
Doob doob doob
Doob doob doob
Doob doob doob
The glory
Doob doob doob
Doob doob doob
Just am man and his will to survive

## Refrain:

Bao, bao bao bao, bao bao bao, bao bao bao, Bao bao, bao bao bao, bao bao bao,

And he's watching us all with the eye Of the tiger
