

Hallelujah, I just love him (her) so

Let me tell you 'bout a boy I Know
He is my baby and I love min so.
Ev'ry morning 'fore the sun gets up
He brings me coffee in my favourite cup.

That's why I know, yes I know,
hallelujah, I just love him so.

**When I'm alone and I have no friend
I know she'll stay with me until the end.
Ev'rybody asks me how do I know,
I look at them and say she told me so.**

**That's why I know, yes I know,
hallelujah, I just love her so.**

When I call him on the telephone
And tell him that I'm all alone,
Just before I count from one to four
I hear him bada bada ba
At my door.

**In the ev'ning when the sun goes down,
When I'm alone and no one els' around,
She kisses me and she holds me tight,
She says: "Baby, every thing's all right."**

**That's why I know, yes I know,
hallelujah, I just love him (her) so.**

Let me tell you, Oh let me tell you, O
(You are my baby now ow) **let me tell you, ... oh**
(You are my baby now ow) **let ma tell you, ...oh**
