

## **Make you feel my Love (Bob Dylan)**

When the rain is blowing' in your face  
And the whole world is on your case  
I could offer you a warm embrace  
To make you feel my love

*When evening' shadows and the stars appear  
And there is no one there to dry your tears  
I could hold you for a million years  
To make you feel my love*

*I know you haven't made your mind up yet  
But I would never do you wrong  
I've known it from the moment that we met  
No doubt in my mind where you belong*

I'd go hungry, I'd go black and blue  
I'd go crawling' down the avenue  
No, there's nothing' that I wouldn't do  
To make you feel my love

*The storms are Ragin' on the Rollin' sea  
And on the highway of regret  
The winds of change are blowing' wild and free  
You ain't seen nothing' like me yet*

I could make you happy, make your dreams come true  
Nothing' that I wouldn't do  
Go to the ends of the earth for you  
To make you feel my love  
To make you feel my love  
To make you feel my love
