

Price Tag (Jessie J)

Arr.: F. Eckhardt

1)

Seems like everybody's go to price. I wonder how they sleep at night
When the sale comes first and the truth comes second just stop for a minute and smile.
Why is everybody so serious acting so damn mysterious?
Got shades on your eyes and your heels so high that you can't even have a good time.
Everybody look to the left, everybody look to the right.
Can you feel that? Yeah! We'll pay with love to night.

Refrain

It's not about the money money money, we don't need your money money money.
We just wanna make the world dance forget about the price tag.
Ain't about the (Ah) chaching chaching, ain't about the (yeah) babbling babbling.
Wanna make the world dance forget about the price tag.

2)

We need to take it back in time. When music made us all unite,
And it wasn't low blows and video shows am I the only one to get tired.
Why is everybody so obsessed money can't buy us happiness.
Let's all slow down and enjoy right now, guarantee we'll be feeling all right.
Everybody look to the left, everybody look to the right.
Can you feel that? Yeah! We'll pay with love to night.

Refrain

It's not about the money money money, we don't need your money money money.
We just wanna make the world dance forget about the price tag.
Ain't about the (Ah) chaching chaching, ain't about the (yeah) babbling babbling.
Wanna make the world dance forget about the price tag.

Bridge

Lalalalalalala yo, lalalalalalala yeah, lalalalalalala hey price tag
Lalalalalalala yo, lalalalalalala yeah, lalalalalalala hey price tag

Refrain

It's not about the money money money, we don't need your money money money.
We just wanna make the world dance forget about the price tag.
Ain't about the (Ah) chaching chaching, ain't about the (yeah) babbling babbling.
Wanna make the world dance forget about the price tag.
