

Rolling in the deep (Adele) Arr. Andreas Wollner

Strophe 1 (Frauen allein)

There's a fire starting in my heart
Reaching a fever pitch it's bringing me out the dark
Finally, I can see your crystal clear
Go ahead and sell me out and I'll lay your ship bare

Strophe 2 (Männer ooh...)

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch it's bringing me out the dark

Bridge 1 (Männer mit ah...)

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling

Refrain 1 (Männer mit dm...)

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall. rolling in the deep)

Strophe 3 (nur Frauen)

Baby, I have no story to be told
But I've heard- one of you, I'm gonna make your head bum
Think of me in the depths of your despair
Making a home down there as mine sure won't be shared
