

This is the end
hold your breath and count to ten.

**Feel the earth move and then
hear my heart burst again**

For this is the end
I've drowned and dreamt this moment

**So overdue I owe them
swept away I'm stolen**

Ah ... Ah ... Ah ... Ah ...

At Skyfall... (At Skyfall)
Skyfall is where we start
A thousand miles and poles apart

**Where worlds collide and days are dark
You may have my number
You can take my name
But you'll never have my heart**

Ah Let the sky fall, When it crumbles, We will stand tall
Ah Let the sky fall, When it crumbles, We will stand tall
At Skyfall. fall ... fall ... Ah ... Ah ... (Ah ... Ah ... Ah ... Ah ...)
Oh ...

Of your loving arms keeping me from harm ... ah ... ah ...

Ah Let the sky fall, when it crumbles, we will stand tall
Ah Let the sky fall, when it crumbles, we will stand tall

At Skyfall ... Let the sky fall ... We will stand tall
At Skyfall
